

E|F|U|A

European
Forum
on Urban
Agriculture

FACTS! Conference
29. & 30.03.2022
Day 2: Opening

● **2020**

Engaging
stakeholders
Establishing
the UA Forum

Processing
data
Co-building
of knowledge

- How to **engage** with a **wider audience** during **Covid-19**?
- How to **co-build transdisciplinary knowledge**?
- How to develop a **common language** and to find **common ground** in Urban Agriculture?

“A picture paints a thousand words”

**Smartphone Video Diaries:
Co-building knowledge in Urban Agriculture**

Bring your Urban Agriculture project to life through creative video production!

Photo: Daniel Mürderlein

- Create videos which cover a **broad range of different topics**
- **Support** our EFUA mission
- **Enrich** the website with new content
- **Visually communicate** urban agriculture across different cultural contexts

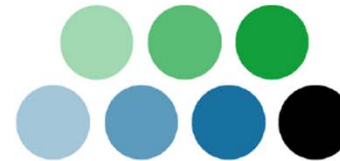

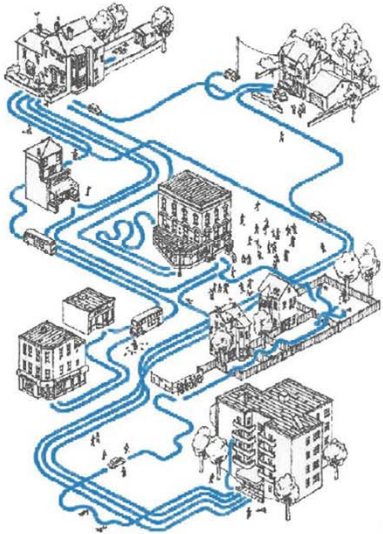

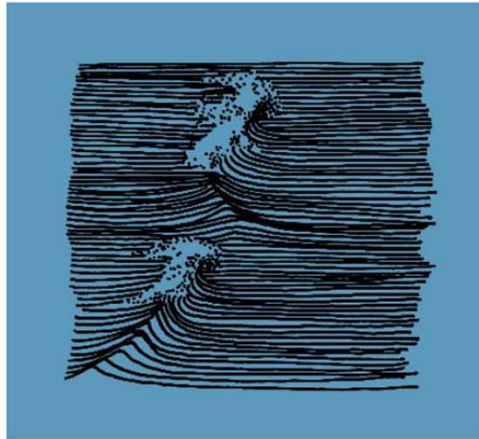

- **Networking** in Urban Agriculture
- **Spatial Dimension** of Urban Agriculture
- **Systemic Dimension** of Urban Agriculture
- **Forms and types** of Urban Agriculture
- Delivering **multifunctional outcomes** through UA

Developing first ideas from moodboards.....

Moodboard

....over Storyboards.....

Szene: Frame:

Off-Kommentar:
 To respond to the challenges mentioned so far, the United Nations adopt the agenda 2030, including its 17 Sustainable Development Goals.

Notizen:
